

GRADING OFFICER'S REPORT 2016

This report comes at the end of my fifth year as Grading Officer for Nottinghamshire Chess Association. I was able to forward the results from the following competitions and events.

These were :-

Nottinghamshire Chess League
Nottingham Congress
Nottingham Rapidplay
Nottinghamshire County Championship
East Midlands Grand Prix

With respect to the Nottingham Chess League there were two submissions – in December 2015 and June 2016 as per the directive from the ECF to generate grading lists in January and August.

There were a few queries in the Notts Chess League results on the web-site but most of these were resolved quickly with the assistance of club secretaries. The University were an exception, unfortunately, with some errors having to be included in the December submission although these were corrected later.

I am happy to put my name forward for re-election.

Peter Sherlock
June 2016
