Child Protection Action List

You should be aware of the NCA's full Child Protection Policy, which is available on the NCA website, but the following procedure will be useful at the time, should anything come up during an NCA tournament or match.

If you have concerns about the welfare of a child:

a) Is the child in immediate danger or are they seriously injured?

If so, contact the emergency services 999.

b) Do you think that a crime has been committed?

If so, it is important that there should be no delay in contacting either the Social Services or the police. Any individual can do this, 24 hours per day, it does not have to be the Safeguarding Officer.

If not, but there is concern for a child's welfare then the issue should be reported to the safeguarding officer within 24 hours who will contact the local Children's Social Care Services (Social Services) for advice or to make a referral in the first instance and follow up with a written report within 24 hours. If the safeguarding officer is not available the organiser or the individual raising the concern must do this.

Process for Acting on a Concern

1. Initially talk to a child/young person about what they have reported or that you are observing. It is okay to ask questions, *for example: "I've noticed that you don't appear yourself today, is everything okay?"* But never use leading questions.
2. Listen carefully to what the young person has to say and take it seriously. Act at all times towards the child as if you believe what they are saying.
3. It is not the responsibility of groups to investigate incidences of suspected child abuse but to gather information and refer only. Since you are not investigating, do not take photographs of injuries or video the child.
4. Always explain to children and young people that any information they have given will have to be shared with others, if this indicates they and or other children are at risk of harm.
5. Notify the Lead Safeguarding Officer.
6. Record what was said as soon as possible after any disclosure. The person who receives the allegation or has the concern should complete the following form and ensure it is signed and dated.
7. Respect confidentiality and pass the completed form to the Safeguarding Officer within 24 hours.
